

Training Supervisors

Wanted for September 2020, to work with trainee counsellors on our
BACP Accredited Diploma in Psychodynamic Counselling

Chichester Counselling Services (CCS) is looking to appoint to its team of clinical supervisors who work with counsellors in our thriving community counselling service. We are particularly looking for training supervisors to work with our trainee counsellor groups (up to 4 trainee counsellors per group, 1.5hr per week, minimum 42 weeks per year) for next academic year, starting in September 2020. There may also be additional opportunities to work with our qualified counsellor groups (up to 5 counsellors per group, 2hr fortnightly).

Training supervisors play a crucial role at CCS, contributing towards both the clinical work of the service and the personal and professional development of our trainee counsellors. In addition to weekly supervision, training supervisors are also involved in termly meetings of the CCS training team and the assessment of individual students, including termly tutorials. Experience of working with counsellors at the early stages of their career will therefore be a particular advantage. In addition, applicants should have:

- BACP accreditation / UKCP registration or equivalent;
- a recognised supervision qualification (or be currently working towards this);
- experience in working with and modelling a psychodynamic approach;
- an understanding and appreciation of CCS's charitable mission.

COVID-19: Under the current circumstances all CCS counselling, supervision, training and meetings are taking place at distance (telephone and online); we will be returning to face to face work at our offices in central Chichester when this is possible.

Remuneration: Supervision groups at £35 per hour; standard meeting rate of £36 per meeting.

How to apply: complete an application form (downloadable from website) at <http://www.ccs-counselling.org.uk/jobs.html> and return with a covering letter to office@ccs-counselling.org.uk by Friday 3rd July. Informal inquiries to chloe.west@ccs-counselling.org.uk

Shortlisted candidates will be invited to an online interview in July.
